Hong kong import

It is NOT accepted for Used Battery and Waste batteries including UPS - Uninterruptible Power Supply (UPS) and Monitor import to Hong Kong. Such used cargo need to be returned to POL and all demurrage charge, import & return cargo freight & all extra costs are on shipper account.

All Waste Computer Monitors and Waste Televisions (CRT, LCD, LED and Plasma Displays including UPS - Uninterruptible Power Supply 'please click for some sample of UPS') are subject to the Waste Disposal Ordinance Permit Control - WDO. A permit is required from WDO Government Department if anyone wants to import such waste in Hong Kong. For illegal Import, It is an offence under the WDO. The waste / used battery would be returned to the place of origin under the cost of shipper (all demurrage, import/return cargo freight & all extra costs). There will be a risk for prosecution by Hong Kong Government.

Waste Ordinance 354 – Waste Electronic / Electrical Commodities

HK Govt is going to control the Import/Export of waste electronic/electrical commodities by end of 2017.

All used commodities can only be released/moved with valid licence for both Import and Export trade. Transshipment cargo is NOT allowed otherwise return is the only solution.

Used Commodities : Air Conditioner, Refrigerator, Washing Machine, Television, Computer including related equipment/tool like printer, scanner, monitor, etc
