We are bringing our bank closer to You!

Dear Valued Customer,

Your feedback matters. We hear your concerns and work hard to address them. We are excited to share with you that **paying for your invoices is now easier than ever!** Now you can expect to spend lesser time on transactions and more time doing the things that truly add value to your business.

Bye bye to long queues!

We have changed our banking partner to two banks: Citibank and Emirates NBD, both renowned for their excellent penetration and customer service in the UAE. The banks have been selected after an extensive review of their network and services with the main objective of making the process **easy, convenient and fast for you.**

The move from our current banking partner **implies a near ten-fold increase** in the number of Cash Deposit Machines and branches across the country and **improved flexibility** on all payment options, especially direct bank-to-bank transfers.

Effective date: 25th May 2017

Banking Options: Please use basis the **shipment and mode of currency**
